

Raja Rogers Meeting Notes
March 27, 2007

Raja Rogers	Wonderful inauguration at Broad Street building. As we pulled up in limos, everyone wanted to know what was going on. A large banner was hung over the building. Dr. Feldman is in process of opening financial centers in 100 countries. Ram Mudra is being circulated in Germany, Sweden, Norway, etc. as the legal second currency. I'll be busy after the call tonight with Bevan and Rajas. Tomorrow, I am reachable at 404-754-8616.
Jeff Murphy	Very nice tour with Vaidya Mohandas – 22 consultations, 23 attended his lecture. He expressed how enjoyable it was being in the Peace Palace. Rao and Lakshmi hosted them. Encourage everyone to have a tour. He's very good. He requests that someone take notes other than the client during the consultation. He starts off with knowledge about Ayurveda specifically for that person. People were very satisfied. The new people were a bit overwhelmed. They were new meditators and 2 non-meditators. Not that they were unhappy, just when reviewing all the herbs and recommendations, they were a bit overwhelmed with all the information. We will be doing follow-up calls with them. At his lecture, he speaks English very well, but a bit fast.
Raja Rogers	Person taking the notes should help the client through this. Health Coach should show them the 2-3 top things to focus on.
Jeff Murphy	Another suggestion: One person takes notes and a second person does the health coaching. Otherwise, it takes a bit long.
Raja Rogers	Or person takes notes and does health coach for one person and then have someone else take a turn for the next person. Make sure it is someone who will not gossip about the evaluation.
Ray Foster	If we have married couples who have been doing AV for awhile, can we have them sit in together and take notes?
Jeff Murphy	Mohandas said, no, someone separate from the couple to take notes. Couple can go in together, but have a third take notes.
Carol	I understand that initially they fill out a form that reveals their own imbalances and then vaidya then says this product this might be good and also shows a stronger option. How does this interface with the pulse? What is their freedom in that capacity?
Raja Rogers	I've talked with Mohandas about this. Vaidya is evaluating the doshas, looking at the dhatus. He may see something in general that will help, he will say that this herb will help augment. It is legal to give lifestyle recommendations, dietary recommendations. It's mainly the herbs and he knows to call them herbal food supplements. We're piggybacking on MAPI's disclaimer on their herbs. I know Dr. Stuart is not totally comfortable with this, but Maharishi wants it done. So mainly we are giving lifestyle and diet recommendations. And suggested herbal recommendations.
Stuart	I am totally supportive of the tour and Mohandas is coming here. He is

	very careful and knows how it approaches. We had seen some promotion documents that were sliding into slippery legal ground as far as the legal guidelines in FL, but that was corrected and we are looking forward to the tour.
Jane	Has Regine updated you about her CBE results?
Regine	Had a meeting with a principal at a middle charter school here who contacted David Lynch Foundation on his own. He is in St. Augustine and wants to move forward after reviewing the materials. There's a Gov and Initiator who teach there part-time. He founded the school and last fall it opened. He developed the curriculum already including "quiet time." They are doing some meditation already, but he feels that TM would be better after reviewing the research. 88 students.
Raja Rogers	This is very good. I would love to see this happen in St. Augustine. If things move forward beyond what we can cover, contact Lynn Kaplan and connect with her. She and John Boncheff are teaching a big school here over several months. Go full speed ahead.
Regine	A concern of the principal: Wants to be able to offer it on an ongoing basis. Jane said to mention that we can't make any promises right now and I will talk with Chris Bush about that.
Raja Rogers	I'll be available on and off tomorrow and throughout the week. Jai Guru Dev
